

## **ABOUT NICK'S WICKS**

**Nick is a 9-year old Guilford entrepreneur and philanthropist with a love for making candles and giving back to his community. His business began as a way to beat the boredom during the COVID lock-down during the late spring of 2020. Nick's Wicks are fragrant, slow-burning, hand-poured soy candles that come in a variety of scents, nearly 25 in total!**

**What makes Nick's Wicks stand apart from other candle companies is his commitment to donate a portion of all sales to charities in the community. During July, Nick selected Murphy's Paw Rescue as the beneficiary. Murphy's Paw, operated by his aunt, is a local foster-based rescue that depends heavily on donations to make its mission of helping abandoned and abused dogs find forever homes. So not only do you get a great smelling candle with your purchase, but by buying from Nick's Wicks, you are also helping others in our local community!**
